

## **NEUROLOGY, LEARNING AND BEHAVIOR CENTER**

### **Non-Discrimination Statement**

The Neurology Learning and Behavior Center (NLBC) is committed to providing equal access to all individuals, regardless of race, color, national origin, sex, age, disability, or any other protected characteristic. Our practice complies with applicable federal and state non-discrimination laws, including Title VI of the Civil Rights Act of 1964 and Section 1557 of the Affordable Care Act.

NLBC prohibits discrimination, harassment, and retaliation in any form. This commitment extends to all patients, their families, employees, and anyone seeking access to our services.

We strive to ensure that individuals with disabilities and those with limited English proficiency (LEP) have meaningful access to our services. Upon request, we will provide reasonable accommodations, auxiliary aids, and language assistance services, such as interpretation or translation, free of charge.

Patients, companions, and employees who believe they have experienced discrimination or wish to raise concerns about our practices are encouraged to contact us. Complaints may be submitted verbally, in writing, or by email, and we will respond promptly and by our grievance procedures.
